

## **To qualify for the second portion of DCP Goal #10, submission of Officers lists**

Help your club achieve this very simple goal.

Get your new Officer lists submitted to TI on time.

The lists must be received at World Headquarters by June 30 of the previous DCP year. This means that clubs whose officer lists are submitted by the June 30 deadline receive credit in the upcoming year's Distinguished Club Program, not for the one just ending.

World Headquarters highly encourages on-line submission.

They are not responsible for illegible or incomplete documents, or malfunctions or failures or "busy signals" from fax machines. They may be sent via email providing there is a template.
